About the Cover

Maral Agnerian offers an affectionate tribute to Cyd Charisse and her green flapper dress from the 1952 MGM musical *Singin' in the Rain* in her article, *Becoming Cyd Charisse*. In addition to being a talented costumer, Agnerian also shares Charisse's love of dancing.

The cover photo shows Agnerian during her performance in the Historical Masquerade at Costume-Con 29. The original image was taken by Minh Doan and posted to his [Deviant Art](https://www.deviantart.com/minhdoan) website. The temptation to relocate her to the that gritty speakeasy from the "Broadway Melody" sequence was too great to resist.
