About the Cover

Castle Wulfenbach, the floating ancestral home of Baron Klaus Wulfenbach, is one of the many settings for the *Girl Genius* Gaslamp Fantasy series by Phil and Kaja Foglio. Many fans dress as characters from this groundbreaking series. In "[The Genius of Phil and Kaja Foglio](#)", this creative team discusses their inspiration for the look of the series, why it's not "Steampunk", their favorite character costumes, and their reaction to fan costuming with long-time *Girl Genius* costumer, Jennifer "Radar" Wylie.
